

Now I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music do ya?
It goes like this, the fourth the fifth
The minor falls the major lifts
The baffled king composing Hallelujah

Hallelujah X4

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah X4

Well maybe there's a god above
But all I've learned from love
Is how to shoot somebody who outdrew ya
But it's not a crime that you're here tonight
It's not somebody who has seen the light
It's a cold and it's a broken Hallelujah

Hallelujah X4

Well people I've been here before
I know this room and I've walked this floor
I used to live alone before I knew ya
And I've seen your flag on the marble arch
But this is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah X4

Well there was a time when you let me know
What's really going on below
But now you never show light to me do ya
But remember when I moved in you
And the holy dove was moving too
And every breath we drew was Hallelujah

Hallelujah X8
