

Don't go changing to try and please me
You never let me down before, mmm
Don't imagine you're too familiar
And I don't see you anymore.

CHORUS

**I would not leave you in times of trouble
We never could have come this far, m m m
I took the good times
I'll take the bad times
I take you just the way you are**

Don't go trying some new fashion
Don't change the colour of your hair, mmm
You always have my unspoken passion
Although I might not seem to care

CHORUS

I, don't want clever conversation
Never want to work that hard, mmm
I just want someone that I can talk to
I want you just the way you are.

Need to know that you will always be
Same old someone that I knew mmm
Oh, what will it take 'til you believe in me?
The way that I believe in you.

CHORUS

I said I love you that's forever
This I promise from the heart, mmm
I could not love you any better
I love you just the way you are

Alright

CHORUS

I, don't want clever conversation
Never want to work that hard, mmm
I just want someone that I can talk to
I want you just the way you are.
