

Why are there so many songs about rainbows
And what's what's on the other side?
Rainbows are visions, but only illusions.
And rainbows have nothing to hide.

So we've been told and some choose to believe it.
I know they're wrong, wait and see.
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

Who said that every wish would be heard and answered
When wished on the morning star?
Somebody thought of that and someone believed it.
Look what it's done so far.

What's so amazing that keeps us star gazing
And what do we think we might see?
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

All of us under it's spell
We know that it's probably magic

Have you been half asleep
And have you heard voices?
I've heard them calling my name
Is this the sweet sound
That calls the young sailors?
The voice might be one and the same

I've heard it too many times to ignore it
It's something that I'm supposed to be
Some day we'll find it, the rainbow connection.
The lovers, the dreamers and me
