

Rule the World

58

Song by Take That 2007

You light the skies up above me
A star so bright, you blind me
Don't close your eyes, don't fade away, don't fade away, oh

Yeah, you and me, we can ride on a star
If you stay with me, girl
We can rule the world
Yeah, you and me, we can light up the sky **CHORUS**
If you stay by my side
We can rule the world

If walls break down, I will comfort you
If angels cry, oh, I'll be there for you
You've saved my soul, don't leave me now
Don't leave me now, oh-oh

CHORUS

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you,
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

CHORUS

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
