

# YOU'VE GOT A FRIEND

66

Song by [Carole King](#) 1977

When you're down and troubled  
And you need some loving care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running  
To see you again  
Winter, spring, summer, or fall  
All you have to do is call  
And I'll be there  
You've got a friend

## CHORUS

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon, you'll hear me knocking at your door

## CHORUS

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah  
To see you again  
Winter, spring, summer, or fall  
All you have to do is call And I'll be there, yes I will

Now ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes and desert you  
And take your soul if you let them  
Oh, but don't you let them

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah  
To see you again  
Winter, spring, summer, or fall  
All you have to do is call And I'll be there, yes I will

You've got a friend Ain't it good to know you've got a friend?  
Aint it good to know x3  
You've got a friend  
Yeah, baby You've got a friend  
Oh, yeah You've got a friend
