DAYDREAM BELIEVER

THE MONKEES -JOHN STEWART – 1967

Oh, I could hide 'neath the wings

Of the bluebird as she sings

Wipe the sleep out of my eyes

Cheer up, sleepy Jean

Oh, what can it mean

Oh, and our good times starts and end

But how much, baby, do we really need?

Cheer up, sleepy Jean

Oh, what can it mean x2

And a homecoming queen?
