Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember that I did not know no pain
When I believed in forever and everything would stay the same
Now my heart feel like December when somebody say your name
'Cause I can't reach out to call you but I know I will one day (hey)

Everybody hurts sometimes
Everybody hurts someday, ayy-ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through

Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

Doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo
Memories bring back, memories bring back you

There's a time that I remember when I never felt so lost
When I felt that all of the hatred was too powerful to stop
Now my heart feel like an ember and it's lighting up the dark
I'll carry these torches for you, that you'll know I'll never drop, yea

CONT OVERLEAF PTO

Doo-doo, doo-doo-doo-doo

Doo-doo-doo-doo, doo-doo-doo-doo x2

Doo-doo-doo-doo, doo-doo-doo

Memories bring back, memories bring back you

Yeah Yeah Yeah

Yeah Yeah Yeah Yeah Doh doh

Memories bring back, memories bring back you

Tequila drinkin', double shot, yeah I need you

I know this life it look nice but it get deeper

I run from reapers,dodge bullets from Glock, Ninas

I live my life tryna prove myself to non- believers, gotta stop that

The devil talkin', I block that

Got some homies in heaven now, they watch my back

For all this pain, we numb it with champagne

Hunnid bottles in the club, that's a goddamn shame
