Song writers – Luigi Creatore/George David Weiss/Hugo E Peretti

ELVIS 1961

Wise Men say  
Only fools rush in  
But I can't help  
Falling in love with you

Shall I stay?  
Would it be a sin  
If I can't help  
Falling in love with you?

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

Take my hand  
Take my whole life too  
For I can't help  
Falling in love with you  
For I can't help  
Falling in love with you
