

## Consider Yourself

15

Song by Lionel BART 1960

Consider yourself at 'ome  
Consider yourself one of the family  
We've taken to you so strong  
It's clear we're goin' to get along  
Consider yourself well in  
Consider yourself part of the furniture  
There isn't a lot to spare  
Who cares? Whatever we've got, we share

If it's your chance to be we should see some 'arder days  
Empty larder days why grouse?  
Always a chance we'll meet somebody to foot the bill  
Then the drinks are on the 'ouse  
Consider yourself our mate  
We don't want to 'ave no fuss  
For, after some consideration, we can state  
Consider yourself one of us

Consider yourself at home  
Consider yourself one of the family  
We've taken to you so strong  
It's clear we're goin' to get along  
Consider yourself well in  
Consider yourself part of the furniture  
There isn't a lot to spare  
Who cares? Whatever we got, we share

Nobody tries to be la-di-da or uppity  
There's a cup o' tea for all  
Only it's wise to be 'andy with a rolling pin  
When the landlord comes to call

Consider yourself our mate  
We don't want to 'ave no fuss  
For, after some consideration we can state  
Consider yourself one of us.
