

Hold Me Close

19

Song by Alex James, Jez Ashurst, Richard Jonathan Fleeshman.

David Essex 1962

Hold me close don't let me go, oh no
I, yes, I love you and I think that you know
Do you know?
With your love light shining
Every cloud's got a silver lining
So hold me close, don't let me go

Hold me close don't let me go, oh no
You and me, yes our love it will stop at the show
Do you know?
With your love light shining clearly, it's so good to have you near me
So hold me close, don't let me go

And if that road gets weary
Oh, I love you
Waiting here if you need me 'cause I love the things that you do

So hold me close don't let me go, oh no
You see I, yes I love you and think that you know
Do you know?
With your love light shining every cloud's got a silver lining
So hold me close, don't let me go

And if that road gets tougher
Oh, I love you
No, I'll never let you suffer 'cause I love the things that you do

So hold me close don't let me go, oh no
You and me, yes our love, it will grow and grow
Do you know?
With your love light shining every cloud's has a silver lining
So hold me close, hold me closer
So hold me close, don't let me go, hold me close, don't let me go
