I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye as she got on a plane
Never to return again
Always in my heart, oh

This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice, 'cause I won't say goodbye anymore

Whoa, Whoa, Whoa

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied, oh
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again, but uh-oh

This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice, 'cause I won't say goodbye anymore

Whoa, Whoa, Whoa

I'll fix these broken things, repair your broken wings
And make sure everything's alright (it's alright, it's alright), oh, oh
My pressure on your hips, sinking my fingertips
Into every inch of you because I know that's what you want me to do

This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice 'cause I won't say goodbye anymore

This love has taken its toll on me
She said goodbye too many times before
My heart is breaking in front of me
She said goodbye too many times before

This love has taken its toll on me (oh, yeah, yeah)
She said goodbye too many times before (yeah)
Her heart is breaking in front of me (yeah, oh)
And I have no choice 'cause I won't say goodbye anymore (yeah)
This love has...
