

Somewhere Out There

54

Somewhere out there beneath the pale moonlight
Someone's thinking of me and loving me tonight
Somewhere out there someone's saying a prayer
That we'll find one another in that big somewhere out there

And even though I know how very far apart we are
It helps to think we might be wishin' on the same bright star
And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

And even though I know how very far apart we are
It helps to think we might be wishin' on the same bright star
And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true
